RECEIVED

**Legal Staff
International Division**

We are in receipt of the Notification of Abandonment for the above identified application mailed April 5, 2000. The Notice indicates the above-identified application is abandoned in view of Applicant's failure to timely respond to the Notification of Missing Requirements form mailed August 19, 1999.

It is respectfully submitted that the Notification of Missing Requirements dated August 19, 1999 was never received in our office and therefore never processed within our docketing system. We conducted a thorough search of all docketing systems to determine if the Notification of Missing Requirements was ever received. All docket failed to indicate the Missing Requirements Notice was ever received. Enclosed are copies of our Docketing Departments Docket for this application and also a copy of the page from the Docket Book of our Applications Department for the due date of

September 19, 1999. **Each of these docket entries evidence the Notification of Missing Requirements was not received in our office.** (You will note from the September 19, 1999 Docket, we did receive a Notification of Missing Parts mailed August 19, 1999 in Our Ref 50060-032 , Serial Number 09/214,897, and filed a Response on August 26, 1999.)

Since we had not received any Missing Requirements Notice in Serial No. 09/355,268, on February 28, 2000, we filed the attached Status Inquiry and Request for Filing Receipt and Notification of Missing Requirements as evidenced by the stamped postcard acknowledgement.

In addition on March 30, 2000 our IP Paralegal Manager spoke to Ms. Russell of the PCT Division inquiring about the status of this application. She was informed at that time that Shakeel Ahmed was handling this case and nothing had been done on the application yet.

As evidenced, it is believed the Missing Requirements was never received in our office and it is requested that this Petition alleging non-receipt of the Notification of Missing Requirements be treated as a Request to Withdraw any Holding of Abandonment and the Petition Fee be refunded. It is believed that this Petition supports the revival of this application abandoned unavoidably due to the non-receipt of the Notification of Missing Requirements.

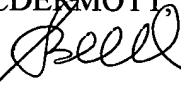

It is respectfully requested that the Notification of Abandonment be rescinded and the application returned to pending status.

In response to the Notification of Missing Requirements, attached hereto is the executed Declaration. Also attached are the Assignment and Request for Recordation and an Information Disclosure Statement together with the PTO-1449 and references.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including petition or extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
